

Dear Trinity Families,

We, as a board, would like to take the time to introduce ourselves and to welcome you to the 2023-2024 school year. It is an honor and a privilege to serve this ministry and our ultimate goal is to assist the director and staff so they may provide the best experience possible for your child.

This year has much to look forward to as our sweet students fill the classrooms of Trinity. We are enjoying our new ocean themed classrooms, and their new locations. Our amazing Trinity Staff has had much professional development over the summer season, and are eager to share new songs and skills with our students. The Fall season will bring our annual costume parade in October, and our 3rd annual Turkey Trot is coming up on November 21st and 22nd. Mark your calendars, we'd love your help and support for this exciting school fundraising event.

If you would like to give input or have any questions about school policy, please feel free to contact one of the board members and we will assist you in any way we can. Please support our teachers by praying for them, following school guidelines, helping with supply & Amazon lists, and (most importantly) a kind word or a thank you.

We appreciate your commitment to the Trinity community and look forward to a safe and successful year.
