Hello After School families!

I wanted to share some exciting news and the upcoming schedule for our Tuesday 4:30 Service through the holidays!

First, the vestry (board of the church) has included a new staff position for a Family Minister to start August 2025. Y'all know how scattered I can be, keeping all the plates spinning. God is sending us so many quickly-growing children and we are responding so that we can have adequate attention for our children and youth. This person will likely be a recent college grad, who has been active in our camps, youth ministry, and college ministry in our diocese. Just wanted to let y'all know that exciting news!

Next, with my travel schedule, Turkey Trot, and Christmas, I wanted to communicate about some upcoming Tuesdays, so we can be ready, see the left column.

Finally, Advent is a special season in the church year. It is the beginning of the new year, and the four weeks lead up to Christmas. You can make an Advent wreath at home (or you may have one from last year!) Even if it's simply four candles with some shells around the base, darkening your home, and lighting a candle each week is a great way to learn about the coming light of Christ, and notice the changing seasons!

I'm so glad we have this after school service! You and your children are amazing, and it's always a highlight for me!

Peace,
Fr. James
